Further, claimants must specify if any payments were made on the debt and if the claim is subject to any right of priority. All claims must be verified by the signature of the claimant, or someone authorized to act on behalf of the claimant and having knowledge of the facts, and be supported by such documents as may be material thereto.

NOTICE IS FURTHER GIVEN that all provider-submitted claims with dates of service on or before December 31, 2015 are being processed for payment and more information can be found at the Colorado Life & Health Insurance Protection Association's website at <http://colorado.lhiga.com>.
