1 **I. INTRODUCTION AND HISTORICAL BACKGROUND**

2 PBR is a captive insurance company operating as a risk retention group and
3 incorporated and organized under the Nevada Insurance laws and the Liability Risk Retention
4 Act of 1986. The company is domiciled in the State of Nevada and received its Certificate of
5 Authority on July 20, 2010, and operated under the authority of Nevada Revised Statutes
6 ("NRS") Chapter 694C.

7 The Company wrote professional liability insurance to physicians and their medical
8 groups under claims-made indemnity policies. Ultimately, the Company was unable to collect
9 sufficient premiums to both cover its fixed costs and operate as a viable insurer. To date, it
10 has been able to attract only one doctor group.

11 On December 31, 2012, the Company reported a Capital and Surplus balance of
12 \$149,013. In accordance with NRS 694C.250(1), the company was unable to maintain the
13 required minimum Capital and Surplus balance of \$500,000. As a consequence of failing to
14 restore the minimum Capital and Surplus balance by April 30, 2013, the Company agreed to a
15 voluntary suspension of its Certificate of Authority. On June 26, 2013, the Company filed a
16 run-off plan with the Nevada Division of Insurance to begin the process of closing down
17 operations.

18 On June 12, 2014, the Nevada Insurance Commissioner was appointed as Permanent
19 Receiver of the Company by the First Judicial District Court of the State of Nevada (the
20 "Court"). On June 17, 2014, an Amended Order Appointing Commissioner as Permanent
21 Receiver for Physicians Benefit Resources Risk Retention Group, Inc., Order of Liquidation,
22 and Other Permanent Relief (the "Permanent Receivership and Liquidation Order") was
23 entered by the Court.

24 On June 12, 2014, Commissioner Kipper as Permanent Receiver of the Company
25 retained David E. Wilson as Receivership Manager. The Receivership Manager was
26 authorized to retain the services of Scott Pearce of Regulatory Services Group (RSG), and
27 other staff of RSG as necessary, as his Receivership Supervisor. As provided for by the
28

1 Permanent Receivership and Liquidation Order, the Receiver and Receivership Manager are
2 authorized to conduct the business of the Company and to administer its affairs for the
3 protection of all secured creditors, insureds, policyholders, and general creditors.

4 II. RECEIVERSHIP ADMINISTRATION

5 A. Notices of Receivership and Notification to Interested Parties

6 The Receivership Manager prepared and mailed notices of the receivership proceeding
7 apprising all known interested parties of the receivership and pending liquidation of the
8 Company. The notice contained contact information for questions and where to find copies of
9 the receivership orders. Additionally, the RSG website was updated with the notice and links
10 to view the permanent receivership and liquidation order.

11 The Receivership Manager also personally served a certified copy of the permanent
12 receivership and liquidation order on the Company's depository banking partner. Consulting
13 counsel for the Company and RSG together provided notice of the receivership and copies of
14 the permanent receivership and liquidation order to Laurence Mohn (CFO, COO, and Director
15 of the Company), Keith Mohn, Dr. John Paul Elliott (a board member of the Company and sole
16 owner of Colorado Brain and Spine institute), Richard Staub, Esq. (counsel for the Company)
17 as well as all known reinsurers, brokers, reinsurance intermediaries, professional service
18 providers, and any other known stakeholders to the Company. Notices also will be published
19 in newspapers in locations where the Company wrote insurance. Notices continue to be sent
20 to outside vendors as the Receiver becomes aware of them.

21 B. Policyholder Related Claims

22 As of this Status Report, the Company has one open claim from its sole insured,
23 the Colorado Brain and Spine Institute (the "CBSI"). The Company has insured CBSI for
24 \$1 million in indemnity coverage. The defense of the litigated claim initially was funded by a
25 captive insurance policy issued by CBSI's captive insurance company, Aequus, up to a stated
26 amount, after which the named defendant in the suit, who is covered under the CBSI policy
27 and is a insured of the Company, personally has been paying the costs of defense. In
28

1 accordance with the terms of the insurance policy the insured/named defendant retains the
2 exclusive rights to compromise or settle the litigation associated with the pending claim.
3 Absent a negotiated settlement by and between the various parties to the litigation, the
4 insured/named defendant faces a December 2014 trial.

5 The Receivership Manager is evaluating implementing a "proof of claim" process
6 whereby notices will be sent to all known creditors of the company instructing them on the
7 procedure by which to submit claims against the Company by completing a Proof of Claim
8 document ("POC") together with any support for the claim. All such POCs must be submitted
9 to the Company on or before a definitive claims bar date that will be included as part of the
10 notification.

11 **C. Reinsurance**

12 The Receivership Manager has reviewed documents which indicate the Company's
13 reinsurance program is comprised of two contracts that may be liable for up to \$950,000 in
14 reinsurance coverage in excess of the Company's \$50,000 loss retention. The Receivership
15 Manager will continue to communicate periodically with the reinsurers to keep them informed
16 of any developments related to the pending claim and associated litigation. The fact that the
17 litigation has not been resolved and the associated claim has not been determined, the
18 Receivership Manager currently is not in a position to submit a claim in accordance with the
19 reinsurance contracts.

20 **D. Records and Assets Control**

21 The Receivership Manager essentially has completed the document and data transfer
22 and has control of all the known books and records of the Company. Due to very limited
23 economic resources available to PBR and to avoid the additional expense of travel, the
24 Receivership Manager has relied on former principals, vendors, and consultants to provide all
25 known books and records of the Company. The majority of the Company's records are
26 maintained in electronic form. The records were dispersed to various parties in various
27 interstate locations. Receivership Manager has made contact with almost all identified service
28

1 providers and consultants working on behalf of the Company at the time of the appointment of
2 the Receiver. The Receivership Manager has set up a secure web-based location to continue
3 to receive any further records or information related to the Company.

4 The Receivership Manager has full control and authority over the Company's sole bank
5 account. At the request of Bank of America, the Receivership Manager closed the Company's
6 Bank of America bank account. Thereafter the Receivership Manager opened a new account
7 with Union Bank.

8 **E. Financial Analysis**

9 As of August 31, 2014, the Company had cash of \$151,091 and a potential reinsurance
10 receivable of approximately \$950,000. The Company has a known policy claim and pre-
11 liquidation service provider expense liabilities in excess of \$1,200,000. The Receiver has
12 incurred \$22,654 in operating expenses during the months of June, July, and August 2014.

13 Based on the financial condition of the Company and the uncertainty associated with
14 both the timing and economic impact of the pending policy claim and the related claim
15 litigation, the Receiver will need time to determine the benefit and feasibility of conducting a
16 comprehensive "proof of claim" process. Should the Receiver determine the Company's
17 policy obligations exceed available cash, the Receiver likely will petition this Court to modify
18 the "proof of claim" process to avoid unnecessary administrative expense. The Receivership
19 Manager continues to investigate other potential asset recoveries.

20 **AFFIRMATION**

21 Pursuant to NRS 239B.030, the undersigned does hereby affirm that the preceding
22 document, Second Status Report, filed in this case number 14-OC-00114-1B, does not
23 contain the social security number of any person.
